6.1 Standardization of marks for admission to UG Degree Programme under CBCS system – Guidelines issued (2010-2011 onwards).

In the case of Higher Secondary Examination from **2010 onwards**, the index marks are to be calculated as follows.

Total marks secured for Higher Secondary + Marks secured in the concerned subject

For e.g. If the student has secured 800 marks out of the total 1200 marks and if he has secured 150 out of 200 in mathematics, his index marks will be 800 + 150 = 950.

In the case of admission to B.A English, the marks obtained for English is doubled and added to the total mark. If the student in the above example has secured 120 marks out of 200 in English, his index mark will be 800 +240 = 1040

In the case of VHSE students from 2021 onwards, the index marks are to be calculated as follows

Total marks secured for VHSE [English +Entrepreneurship Development+ Vocational Theory(out of 200) +3 optionals] + Marks secured in the concerned subject

For e.g. If the student has secured 800 marks out of the total 1200 marks and if he has secured 150 out of 200 in mathematics, his index marks will be 800 + 150 = 950.

In the case of admission to U.G. Degree Programme in English (if scored *150 marks out of 200 in English*) Index marks = 800+300 =1100.

In the case of other Boards such as CBSE and CISCE, normalize the total marks to 1200 and then add **TWICE THE PERCENTAGE** of marks obtained in the concerned subject For Example: If a student has secured 400 out of the total of 500 marks in the CBSE stream and if he has say, secured 80 marks out of 100 in mathematics, his index marks will be 400/500 x 1200 plus 160 (i.e, 80 X 2) marks of mathematics. That is 960 + 160 =1120. In the case of admission to UG Degree Programme in English, quadruple(4 times) the marks obtained for English and add to the normalized total marks.

For eg: If the student in example above secured 70 out of 100 marks in English, then his index mark will be 960 + 280= 1240

6.2 Weightage of marks for N.C.C. /N.S.S. /S.P.C. Certificate holders/Ex-servicemen/ Dependents of Ex-service Men and Jawans

Complementary II	12	9.000	108.000
Total	80		768.216

$$\text{Initial Index Score} = \frac{768.216 + 543.816}{80+56} = \frac{1312.032}{136} = 9.647$$

Note: As the students of U G Programmes for/from the year 2014 admission (CBCSS) have been evaluated on the basis of 10 point scale, the Initial Index Score also is a figure out of 10.

For the students who have undergone their U G Programme based on CCSS (2009 admission to 2013 admission), Grading System (2008 Admission) and mark system (up to 2007 admission), calculate the Initial Index Score as explained and illustrated in the guidelines as per Ref. No. 1. As this Initial Index Score is out of 4, convert it to 10 by multiplying by 2.5.

Example: Let for a student under CCSS 2013 admission,

Initial Index Score = 3.835 (out of 4)

Then convert it to 3.835 X 2.5 = 9.588 (out of 10)

- If a candidate completed BSc programme in Mathematics wants to apply for admission for **MSc Statistics Programme**. In this case, the initial index score is to be calculated as follows:

  Initial Index Score=(Total C.G.P. of Core and Complimentary) + (C.G.P of Statistics)
  (Credit of Core and Complimentary + Credit of Statistics)

- **[Computation of Initial Index Score for Languages]**

  (i) For M.A. English Programme:

  Initial Index Score is the maximum of C.G.P. of Common Course-I and
  Total C.G.P. of Core and Complimentary
  Credit of Core and Complimentary

  (ii) For M.A. Non-English Programme:

  Initial Index Score is the maximum of C.G.P. of Common Course-II and
  Total C.G.P. of Core and Complimentary
  Credit of Core and Complimentary

  For PG Degree Programme under Faculty of Languages& Literature, 10% of Initial Index Score calculated as mentioned above will be added to the Initial Index Score as Bonus for the candidates who have studied the subject as Core. (5% of Functional English and Functional Hindi). Comparing this with CGP of Common Course, the maximum of the two is taken as Initial Index Score.

Step 2: **[Computation of Second Index Score]**

The Second Index Score shall be computed by adding the grace scores (G) to the Initial Index Score. The students who have done their qualifying U.G degree from Kannur University are eligible for a Grace Score of 10% of Initial Index Score, as per Ref. No.2 cited. In the case of other students, the grace score is Zero. That is, the Second Index Score is same as the Initial Index Score.

Example: If the student mentioned in the illustration above has done the qualifying degree from Kannur University, then the Second Index Score is,

$$9.647 + [9.647 \times 10/100] = 9.647 + 0.965$$

$$= 10.612$$

Step 3: [**Computation of Third Index Score]**

The Third Index Score shall be computed by adding the 'bonus score' (B) to the Second Index Score. NCC and NSS candidates are eligible for bonus score. The bonus score for NSS and NCC is 0.1. NCC 'B' Certificate and 'C' Certificate holders are eligible for an additional

score of 0.05 and 0.1 respectively. i.e, (The bonus score for NCC 'B'&'C' Certificate holders will be 0.15 & 0.2 respectively). These scores are to be added to the second Index Score in the case of NCC and NSS candidates. [As the Initial Index Score of students under CCSS (2009 to 2013), grading (2008) and mark (up to 2007) are being converted to 10 point scale in step 1, the bonus scores are the same to all as explained above]. In the case of other students, the bonus score is Zero. That is, Third Index Score is same as Second Index Score.

Example: If the student explained in the illustration is eligible for a bonus score 0.1 on account of NCC/NSS, then the Third Index Score = 10.612 + 0.1 = 10.712

Step 4: [**Computation of Final Index Score]**

The Final Index Score shall be obtained by subtracting a 'Handicap Score' (H) of 0.1, 0.2 and 0.25 from the Third Index Score of those students who have taken two chances, three chances and more than three chances respectively for completing their qualifying U G degree. The 'number of chances' means the number of chances taken for passing any part of the qualifying examination. Betterment of qualified results (Improvement) will not be considered as a chance. In the case the students who have taken only one chance for passing the qualifying examination, the handicap score is Zero. That is, the Final Index Score is same as the Third Index Score.

The Final Index Score shall be rounded to three decimal places.

Example: If the student explained in the illustration has taken two chances for completing the qualifying U.G. degree examination, then the Final Index Score = 10.712 – 0.1 = 10.612

10. **Post Allotment Activities:**

i) Original certificates to prove the claim for grace marks, if any.

j) Equivalency certificate(stating that the said degree of other University is equated to concerned degree of Kannur University) from Kannur University in case of candidates who passed qualifying examination through Distance Education from Universities outside Kerala and those who obtained degrees with different nomenclature. (Recognition Certificate is sufficient if the eligibility is 'any UG degree'.)

k) Any other relevant certificate for any claim made in the application.

11. Verification of Documents: The Principal/Head of the Institution shall be personally responsible for verification and satisfaction of the correctness of the

documents/records produced by the candidate, at the time of seeking admission in the College/Institution. The candidates should fulfil the eligibility criteria prescribed at the time of online registration, in all respects, and all relevant documents shall be submitted at the respective colleges during the time of admission.
