

Student Satisfaction Survey 2022-23

Student Satisfaction Survey Report 2022-23

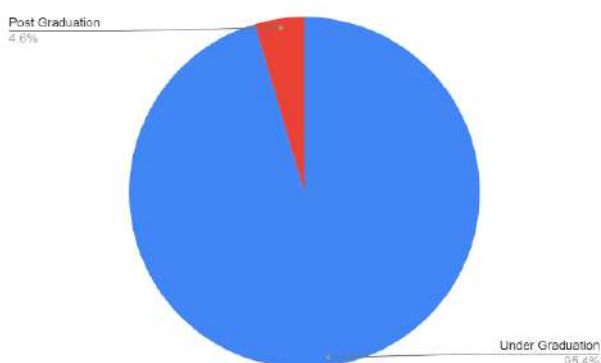

Student Satisfaction Survey (SSS) is one of the mandatory criteria set by National Assessment and Accreditation Council (NAAC). Apart from Teaching Learning and Evaluation aspects, the survey has included the institution infrastructural and welfare aspects too. To impart quality education student will have to respond to all the questions with her/his sincere effort. Each question has five responses, choose the most appropriate one. The feedback collected from students is definitely useful for the streamlining the services offered to students.
