ADDITIONAL SKILL ACQUISITION PROGRAMME

2019-2020

ASAP forum S.E.S college always has a grandstand with its attempt to be better and best with all the possible nifty enterprises it undertook. With the zest of doing more and better ,the forum organised multiple activities in the academic year 2019-2010 also as it did with foregoing years. The activities of the forum started with the distribution of ASAP signature welcome note handouts for first year students ,which is encoded with maxims .sessions of ASAP turned out to be more stimulating and formative through brainstorming activities which included individual and group demonstration by the students and new gen activities like tiktok video making. ASAP S.E.S award day is done as a part of classroom activities ,where awarding of BEST PERSONALITY, BEST EMERGING LEADER AND OUTSTANDING performer is announced and appreciated. One of the most significant activity of the year was the preparation of placards which exhorted the importance of refusal of single use plastic .The initiative was under the title ‘CHOOSE TO REFUSE’.The placards got posted in different corners of the campus to instill a feeling of promoting nature friendly lifestyle. One of our Asapians Nandana Rajan started anchoring in a local television channel, which

herself says is a result of the tutelage of ASAP and she also got a chance to speak about her journey with ASAP in the annual district ASAP meeting convened at collectorate in the presence of District collector and other dignitaries. The most important achievement of the forum is the selection got for our students to take part in 'REBOOT KERALA HACKATHON' ,an initiative by the higher education department, Government of kerala and ASAP. In the event mostly technical institutions got selected and our college is one of the least minimum Arts and Science colleges, which got selected. The experience students got out of this practical learning experience is beyond words. ASAP continues its stimulating efforts during the corona lockdown period by shifting to all the digital platforms possible.
