BASIC COMPUTER EDUCATION TO DEPRIVED SECTIONS OF SC COLONY

The Department undertook a skill development training programme to the deprived sections of SC colony in Coralie, Mayyil. The objective of this programme is to provide basic knowledge in computers.

Programme proposes to bring deprived tribunal at par with other social groups.

There are 52 houses in the colony. Pulayan is the most populous caste, they have shown an encouraging trend in the level of literacy. Most of them have attained education below primary level. First year (Bcom students) handled an informative session for the housewives in the colony. The programme was conducted on 19 February 2022. On that day morning students along with their teachers visited the SC colony in Koralay. The program began with the welcome address by Dr Shyni M.C, Faculty Dpt. Of Commerce. It was presided by smt. Jasna. P, Faculty Dept. of Commerce and inaugurated by Sri. Shibu K, Koralay Samskarika Nilayam member and former President of Santhwanam Swayam Sahaya Sangam. The session was felicitated by Assainar Master, Social Worker, in Koralay and Smt. Jumaila K. Faculty Dpt of Commerce. After the formal session our students started to give basic education about computers to the deprived sections of that colony. 55 students of first year bcom participated in the programme. All of the colony members were so happy as they could see students who were ready as a helping aid for backward people.
