SOCIAL EXTENSION OF 2021-24 BA English Batch in 2022-23: A VISIT TO SAMARITAN HOME, CHENGALAYI.

A social extension program was conducted on 14th November 2022 by the second year BA English students. In the leadership of our Department Head, Mr. Samson Rajan and other teachers, the students visited an old age home. It was a great experience and there were a lot of cultural programmes and entertainments by the students such as singing and dancing. It was a great pleasure to state that the members of Samaritan Home also participated in those. An interaction was also held with the inmates. The day was a memorable and more productive one. An amount was handed over to the community. It was a special opportunity for the students to become more aware of the society and social reality. It was really a marvellous occasion to remember and a foundation to do more. Through this, students could study many things beyond the text book.
