

SES College, Sreekandapuram

PTA Annual Report 2018-19

The 2018-19 academic year of SES College started on June 6. Second-year and third-year classes began on June 6 and first-year classes began on June 24. Vacant teaching and non-teaching posts were filled during this academic year and therefore the classes were conducted well.

The PTA activities for the year 2018-19 started with the Annual General Meeting held on 27th September 2018. During the meeting, the members approved the previous year's activity report, revenue and expenditure figures and the current year's draft budget and then put forward healthy discussions and guidelines for the upliftment of the college. The new executive members were then elected from a meeting of about 50 people for the year 2018-19.

This time too we have been able to improve the result of our college at the university level. This time too, English and Economics took two ranks. We have been able to excel at the academic level as well as in the arts and sports. Our students were able to achieve first, second and third places with “A” grade in the Kannur University Arts Festival. We also excelled in sports. An inter-collegiate waiting lift competition was held at our college in January and we became the champions. I would like to take this opportunity to announce the good news that one of our students has got a job in Indian Railways with Sports quota as another important achievement.

We would like to thank all those who have worked tirelessly for the betterment of our organization, and we extend our heartfelt thanks to all those who have strengthened the community and friendship of teaching-non-teaching- parents and contributed to bring our organization to the forefront.
