INFRASTRUCTURE AND PHYSICAL FACILITIES FOR TEACHING-LEARNING

The College, which was established to mark a new era of enlightenment in the history of Sreekandapuram and surrounding villages, in an area of 25 acres and built uparea of 6829.07square metres. The geographic situatedness of the College in sub urban and rural areas of Sreekandapuram has made academic ventures accessible for the diverse student category hailing from both the urban and rural areas. The college ensures state of the art physical and infrastructural facilities for optimising the teaching learning transactions. Infrastructural and other facilities of the college are created through government and management assistance. At the inception of the institution in 1981, it had been offering pre-degree courses affiliated to University of Calicut. In 1991, the college was upgraded to a Degree College by offering an Undergraduate Course in Mathematics. After the delinking of pre-degree courses, more Degree Courses were added to Arts, Science and Commerce streams. Currently, the college offers seven UG Progammes (BA English, BA Economics, BCom, BBA, BSc Physics, BSc Chemistry and BSc Mathematics) and one PG Programme (MAJMC - M.A. Journalism and Mass Communication) in the Aided stream and 11 UG Programmes and 5 PG Programmes in the unaided stream. The required infrastructure was added from time to time as the expansion took place.

SES Campus Aided Session

SES College Unaided Session

Classrooms

The institution has spacious and naturally ventilated classrooms that can accommodate around 40 students in each one. All the classrooms are well-furnished, equipped with desks, benches and chairs for students and teachers. Classrooms are numbered with identification of the wing.

CLASSROOM SPECIFICATIONS (AIDED)

Sl No.	Room Number	Room Name	Area Meter Square
1	A2	I DC English	96.05
