INDIAN NAVY DAY -04/12/2023

Indian Navy Day, celebrated on December 4 each year, to recognise the role and achievements of the Indian Navy. The date holds historical significance as it commemorates 'Operation Trident' that was launched by navy against Karachi Harbour during India-Pak war. The operation was started in response to Pakistan's operation Chengiz Khan which was a preemptive airstrike against the Indian airbase.

INDIAN ARMED FORCES FLAG DAY -07/12/2023

Since 1949, 7th December is observed as the Armed Forces Flag Day throughout the country to honour the martyrs and the men in uniform who valiantly fought & continue to fight on our borders to safeguard the country's honour. Soldiers are one of the greatest assets of any country. They are the guardians of the nation and protect its citizens at all costs. To fulfil their duties, soldiers have sacrificed a lot of things in their lives. The country is forever indebted to these gallant heroes who lay down their lives in the service towards the motherland.
